EN ADVOLAT is an independent and family owned watchmaking company, located in Basel  Switzerland, specialized in limited edition timepieces. All our watches are individually numbered and engraved on the case back. Assembled by hand, using movements and components of highest quality like sapphire crystal lenses and medical grade stainless steel, we take care of fair working and trading conditions and are strongly committed to the environment. We proudly present our current collections to you

DE ADVOLAT ist eine familiengeführte Uhrenschmiede mit Sitz in Basel  Schweiz, spezialisiert auf individuelle Uhren in kleinen Auflagen. Alle unsere Uhren sind limitiert, nummeriert und auf der Rückseite einzeln graviert. Sie werden aus den besten Uhrwerken und Komponenten sorgfältig von Hand montiert unter ausschließlicher Verwendung von Saphirkristallglas für die Deckgläser und hochwertigem 316L Edelstahl. Verantwortung für unsere Mitarbeiter, Partner und die Umwelt bestimmt unser Handeln. Wir freuen uns, Ihnen unser aktuelles Angebot zu präsentieren

FR ADVOLAT est une entreprise horlogère familiale basée à Bâle  Suisse, spécialisée dans les montres individuelles en petites quantités. Toutes nos montres sont limitées, numérotées et gravées sur le dos du boîtier. Assemblées à la main avec soin en utilisant des composants et des mouvements de la meilleure horlogerie, toutes les montres sont exclusivement montées avec des verres saphir et de l'acier inoxydable 316L. Responsable de nos employés, de nos partenaires et souci de l'environnement, nous sommes fiers de vous présenter notre collection actuelle

B A U H A U S

The background of the page is a photograph of the Bauhaus Museum in Dessau, Germany. The building is a long, white, two-story structure with a flat roof and large, multi-paned windows. A tree with yellowing leaves is in the foreground on the left, and a traffic light is visible. The sky is overcast.

PRIVATE LABEL Manufacturing

- EN** At ADVOLAT we love adding a personal touch to your timepiece by laser engraving, be it for a milestone birthday, wedding gift(s) or corporate jubilees. Private Label Manufacturing also means the design and volume serial production of watches based on a client's specification. Our clients are sports and other clubs, companies, government bodies and other watch brands. As an approved member of the Federation of the Swiss Watch Industry FH, ADVOLAT is highly competent in terms of technical design, making of approval samples, tooling and high quality serial production. Depending on the client's requirements this may be Swiss Made, Swiss Movement or other international projects
- DE** Die Individualisierung Ihrer Uhr liegt uns am Herzen. Für besondere Anlässe wie Jubiläum, Hochzeit oder einen runden Geburtstag ist eine Lasergravur eine tolle Idee, die wir für einzelne oder auch für viele Uhren gerne durchführen. Private Label Manufacturing bedeutet auch, dass ADVOLAT für Firmen, Behörden, Vereine und andere Marken Uhren nach Kundenwunsch entwickelt und in grösserer Stückzahl produziert. Als Vollmitglied des Verbandes der Schweizer Uhrenindustrie FH sind wir hierfür bestens aufgestellt, von der technischen Entwicklung und dem Muster- und Werkzeugbau, bis hin zur Serienfertigung. Je nach Kostenrahmen können Swiss Made, Swiss Movement und auch sonstige internationale Projekte realisiert werden
- FR** Chez ADVOLAT, l'individualisation de votre montre nous tient beaucoup à cœur, que ce soit à l'occasion d'un anniversaire particulier, d'un cadeau de mariage ou d'un jubilé d'entreprise, par une gravure laser pour une seule ou plusieurs montres. Le Private Label Manufacturing répond également à la conception et la production en série de montres basée sur le cahier de charges du client. Nos clients sont composés de clubs sportifs et autres, d'entreprises, d'institutions gouvernementales ainsi que d'autres marques de fabricants de montres. En tant que membre certifié de la Fédération de l'Industrie Horlogère Suisse FH, ADVOLAT est experte dans la conception technique, la réalisation d'échantillons, l'outillage et la production de série de qualité supérieure. En fonction du budget, le Swiss Made, le Mouvement Suisse et d'autres projets internationaux peuvent être réalisés
